Company: Gaurav Gupta Couture

Location: noida

Category: other-general

Department: International Ready to Wear (New Division) Location: Delhi NCR Job

Overview: This is an exciting opportunity to create and launch an exciting new Ready to Wear brand, under the house of Gaurav Gupta Couture. After unrivalled global growth, and expansion across new markets, we are looking to create a first of its kind, Luxury ready to wear line. From retail POS ranging from Harrods to Bergdorf's, we are looking for a candidate with a clear flair for international fashion. We are looking for an accessory designer who can lead and drive the brand vision within the metal space. The relevant candidate would be designing key elements for the brand, from logos to key brand design emblems. These will be used across various different accessories from buttons, zippers, bags, jewellery to sunglasses. The relevant candidate should have experience creating emblems/designs on CAD/renders and have a network on accessory manufacturers to execute the final product.

Key Responsibilities

- Research and design key elements/logos for the brand, ability to render/CAD draw is critical.
- Design how to incorporate these elements into the garments/accessories.
- Work with vendors from metal casters, to create moulds.
- Oversee the complete execution of the sample development.

Requirements and Skills

- Degree in Design (preferably from NIFT, NID, FIT-NYC, LCF/CSM-London).
- Experience in leading or working within an accessory department.
- Out of the box vision and experience working with Luxury Pret Brands and Export/Buying houses.
- An understanding of Gaurav Gupta's brand vision and customer profile.
- Proficiency in software's like MS Office, Procreate, Photoshop and Adobe Illustrator. If you are passionate about fashion, have experience in fashion designing, and are knowledgeable in the sphere of

Luxury Pret, we would love to hear from you.
