Associate Dean (School of Business Management) - Hyderabad

This is a leadership position that requires a combination of academic prowess and administrative skills, as also the networking competencies. Associate Deans at the campuses work administratively under the campus Director but functionally report to the Dean of the School at the main campus in Mumbai. We are looking for leaders who can imagine and also deliver on the ground.

The incumbent should have a Ph.D. in Management from a reputed University/Institute with at least 15 years of Academic and Administrative experience in the field. Should have strong linkages & network with the industry & academics. Should be well acquainted with the various Accreditation Agencies and Statutory bodies as well as their processes. The candidate should be either at a Professor level in a premier management school or Principal of a premier undergraduate college.
