

## Clinical Research Coordinator

[Apply Now](#)

Company: Learning Labb Research Institute

Location: new delhi

Category: other-general

### Role Description

This is a full-time hybrid role for a Clinical Research Coordinator with Learning Lab. The Clinical Research Coordinator will be responsible for day-to-day tasks related to clinical research, including informed consent, protocols, research, clinical research experience, and clinical trials. This role is located in Bengaluru but offers flexibility for some remote work.

### Qualifications

Experience with informed consent and developing protocols

Knowledge of research methodologies

Clinical research experience and experience managing clinical trials

Excellent communication and organizational skills

Attention to detail and ability to work independently

Bachelor's degree in a related field (e.g. life sciences, epidemiology)

Experience working in a clinical research setting is a plus
