Job Description

Join Our Team at ATP: Consulting Arborists Wanted in Hong Kong

About ATP Established in 2007, Arboriculture & Tree Preservation (ATP) is a leading provider of arboriculture services in Hong Kong. We are dedicated to excellence in tree care, offering comprehensive services that include tree risk assessment, tree management, and advanced tree health care solutions. As we expand, we're looking for passionate Consulting Arborists to enhance our team.

Location Hong Kong, a city where tradition meets modernity, offering a dynamic and fulfilling lifestyle.

Position: Consulting Arborist (Full-Time)

We Welcome: Candidates from across the globe to bring their expertise to the vibrant city of Hong Kong.

Responsibilities:

As a Consulting Arborist at ATP, you will:

Conduct detailed tree surveys and inventories.

Perform both standard and advanced tree risk assessments using techniques like

sonic tomography, Resistograph, and tree pulling tests.

Develop tree health care strategies, including soil and trunk injections.

Consult on tree selection, planting, and transplanting.

Advise on tree preservation during development projects.

Use Airspade technology for tree root assessments and to support health improvement efforts.

Assist clients in understanding our recommendations and in the long-term management of their trees.

Requirements

Qualifications:

Experience: At least 7 years of relevant professional experience.

Education: A degree in Arboriculture, Forestry, or a related field (BSc, MSc, or PhD).

Certifications: ISA Certified Arborist and ISA Tree Risk Assessment Qualification (or equivalent).

Skills: Exceptional verbal and written English communication; proficient in Microsoft Office (Word, Excel); strong organizational, time management, and multitasking abilities.

Requirements: A valid driving license.

Benefits

Benefits:

Competitive monthly salary.

Comprehensive health insurance.

Generous paid annual leave and public holidays.

5% monthly contribution to employee fund (MPF).

Relocation assistance for international candidates.

Opportunities for advancement within a safety-first culture.

On-the-job training in specialized areas of arboriculture.

Access to ongoing education programs and resources.

Application Process:

Interested in making a significant impact in the field of arboriculture with ATP? Send your resume (CV), work history, qualifications, salary expectations, and a letter of interest to hr@atptree.com. Suitable candidates will be contacted for an online video interview.

We're excited to hear from you and explore how you can contribute to our team.

Warm Regards,

Jonathan Picker, Director

Requirements

well organized, good communication skills, technical knowledge
