

Electrician

[Apply Now](#)

Company: Perfect Naukari

Location: Surat

Category: other-general

We would like to hire an electrician to join our team. You will be responsible for installing and repairing complex electrical control, wiring, and lighting systems working from a technical blueprint. To perform in this role you need an electrician degree from a technical college and experience in the field working on simple and complex electrical systems.

Electrician Responsibilities:

Installing, maintaining, and repairing electrical control, wiring, and lighting systems.

Reading technical diagrams and blueprints.

Performing general electrical maintenance.

Inspecting transformers, circuit breakers, and other electrical components.

Troubleshooting electrical issues using appropriate testing devices.

Repairing and replacing equipment, electrical wiring, and fixtures.

Following National Electrical Code state and local building regulations.

Performing circuit breaker corrective maintenance.

Maintaining good knowledge of heating and air conditioning systems as well as various testing equipment.

Electrician Requirements:

Completion of electrician apprenticeship.

Experience working as an electrician.

High school diploma.

Valid driver's license.

Electrician degree from a technical college.

Deep electrical system, power generation, blueprints, maintenance, and repair knowledge.

Experience in the renewable energy field.
