

Engineer Sr., Software

[Apply Now](#)

Company: Giant Eagle GCC

Location: India

Category: computer-and-mathematical

Job SummaryAs a Senior Software Engineer, you will determine programming requirements for systems. In addition, you will design flexible client-server frameworks. You will also analyze and improve performance of software programs, as well as analyze requirements for data exchanges between application software and other systems. **Job Description**Experience Required: 5 to 10 years Experience Desired: Experience working in a retail supply chain environment Education Desired: Bachelors Degree

Job ResponsibilitiesDesign and develop software programs to meet customer and business requirements. Coordinate systems analysis, systems development and implementation activities to ensure customer requirements are met or exceeded. Organize and prepare program and system documentation according to established procedures to facilitate ongoing support and maintenance. Recommend and implement technology and process improvements to increase efficiency. Perform formal code reviews and quality assurance activities for newly developed programs. Participate in both daylight and off-hour support rotation. Provide technical leadership, mentoring and training of existing software engineers. Prevent unauthorized access to information, assets or restricted areas and report any attempts. Maintain cognizance of industry trends and new products to evaluate opportunities for achieving maximum effective usage of the Company's investment in information technology. Produce all management reports completely, accurately and on time. Report any type of problems to the appropriate management in a timely manner. Participate in educational and on-the-job training programs as recommended by IT management. Communicate well with non-IT personnel and vendors. Assist in special projects as assigned.

Perform other duties as assigned. About the Company Since our founding in 1931, Giant Eagle, Inc. has evolved into one of the top 40 largest private corporations in the U.
