Company: HTC Global Services

Location: India

Category: other-general

HTC – A brief profile Established in 1990, HTC Inc., a CMM Level 5 company with headquarters in Troy, Michigan, is a leading global Information Technology solution and BPO provider. HTC assists clients across multiple industry verticals, offering turnkey project lifecycle in, e-business, data warehousing, embedded systems, ECM, SCM, CRM, and ERP solutions. HTC Inc. offers ConnectIT, our Global Delivery Methodology that enables the seamless delivery of outsourced IT services. HTC has global delivery centers across the globe. About the Job We are looking for a Guidewire Portal Developer. Skill Requirements: Design and develop user interfaces, portals, and web applications that seamlessly integrate with Guidewire insurance platforms. Customize and elevate portal functionality to align with business requirements and enhance user experience. Implement responsive and intuitive user interfaces using modern web development technologies such as HTML5, CSS3, and JavaScript. Collaborate with Guidewire PolicyCenter, BillingCenter, and ClaimCenter developers to integrate portal solutions with the core insurance systems. Implement APIs and connectors to facilitate data exchange between portals and Guidewire applications.
