### Job Description

**To be considered:**

**Ensure that your resume includes detailed descriptions of the tasks you have performed, clearly stating your** [REDACTED]

Are you a passionate and skilled Machinist looking for a sponsorship?

Look no further! We are currently seeking experienced professionals.

We are looking for an experienced Manual Machinist with CNC experience to operate a range of lathes and milling machines.

### The Role

The primary focus of the role is to effectively operate CNC & Manual type machines in a “jobbing” type workshop. Machining of various types of components related to mobile mining equipment, underground equipment and various other industries.

### Requirements

## **Role requirements**

Able to complete precision type work as per trade requirements

Proven jobbing type work experience

Program and operate various CNC machines desirable

Experience using Fanuc, Heidenhain or Mazak controllers

Competently operate manual type lathes

Able to complete work in an efficient manner

Accurately fill out job documentation as per QA requirements

Demonstrate personal responsibility in maintaining safety, quality, and environmental practices

Display consistent values and behaviours

Effectively interpret engineering drawings, tolerances, and machining requirements

Good communication skills

## **Benefits**

A position with the opportunity for a visa sponsorship after probation period.

Competitive salary packages

Due to the high volume of applicants, only candidates who are shortlisted for an interview will be contacted.

## **Requirements**

A minimum of 5 years of proven experience as a Refrigeration Mechanic, or 3 years of experience combined with 2 years of formal education in the trade. Proficiency in installation, repair, and maintenance of refrigeration systems. Solid understanding of blueprint readings and technical specifications. Excellent attention to detail and commitment to delivering high-quality work. Strong communication skills and ability to work efficiently as part of a team.
