Company: The Foundation School, Bangalore

Location: bangalore

Category: other-general

The Foundation School near Varthur/Gunjur in Bangalore and founded by IIT/IIM Alumni, is looking for a PGT Mathematics teacher.

The Mathematics teacher would be responsible for teaching and guiding Senior secondary, Secondary and Middle school students towards excellence in the subject. The teacher should be able to inspire students and develop a love for the subject taught. She/He should be fluent in English and have the ability to plan her classes for effective teaching. The teacher would follow the liberal philosophy espoused by the school. The teacher would also be responsible for any other tasks given periodically.

The candidate should have complete knowledge of CBSE's Mathematics Curriculum from Class 9 to Class 12. She/He should also have experience of working with students in bringing Mathematics to life by connecting it with real world examples, guiding students in Mathematics activities, helping set up Mathematics stalls during the science exhibition etc. The teacher should have a thorough understanding of Mathematics practical records as required by CBSE, and conduct of projects.

The Foundation School believes in holistic education from a younger age group so that students have a more meaningful learning experience in higher grades. Therefore, the teacher should also be open to teaching middle school students.

The candidate should visit our website, www.FoundationSchoolIndia.com, locate our Gunjur Campus on Google Maps (<https://maps.app.goo.gl/9qKZNR6r7C2ecoLE6>), and check how far she/he lives from the school. Please apply only if you find that your travel time is reasonable.

Qualifications:

1. BSc, MSc in Mathematics or allied subject
2. B.Ed is a must. Please apply only if you have a B.Ed. degree.
