Company: WSAudiology

Location: India

Category: life-physical-and-social-science

### About WSA

WS Audiology combines over 140 years of experience in pioneering better solutions to help people with hearing loss. With a passion for impact, our 12.000 employees are committed to achieving our purpose: wonderful sound for all. With brands like Signia, Widex, Audio Service, Rexton and Vibe, and with diverse assets across wholesale, retail, online, managed care and diagnostic solutions, we are active in over 125 markets. Going beyond together, we achieve annual revenues of around EUR 2 billion.
