

Senior Consultant / Principal - Business Consulting (Program Management (FS))

[Apply Now](#)

Company: Infosys Consulting

Location: Bengaluru

Category: business-and-financial-operations

We are hiring at Senior Consultant - Business Consulting in Financial Services practice. Who are we? Infosys (NYSE: INFY) is a global leader in consulting, technology and outsourcing solutions with annual revenues of \$13.56B as of March 2021. We enable clients, in more than 30 countries, to stay a step ahead of emerging business trends and outperform the competition. Infosys Consulting partners with clients to transform their businesses in areas such as strategy, processes, organization, systems and risk. Infosys Consulting has offices across the US, Europe, APAC and India. We are Value Integrators – we deliver realized business value by managing transformations from strategy through execution, including operating and optimizing delivered solutions. The Consulting team in India works with its overseas counterparts to provide business consulting services to clients in the US, Europe, Asia Pacific and Middle East markets. At Infosys Consulting, we recognize the need for greater Diversity and Inclusion at the workplace, and on this journey, we place special emphasis on enabling gender diversity. Women form an integral part of our company and we do all that we can to build an inclusive, supportive, and safe workplace. What are we looking for? We are looking for smart, self-driven, high energy people with top notch communication skills, intellectual curiosity and passion for excellence. Our consultants have a blend of in-depth domain expertise, strong business consulting skills and excellent soft skills. We are looking for people with a deep understanding of Financial Services, with experience in one or more of the following areas: Program/ Project Management, Change Management, Product Management, Agile Project Delivery, Product Owner. Consulting & advisory experience with top-tier consulting organizations strongly preferred. Full time MBA from top-tier business schools. Experienced

project managers who can independently take ownership of project delivery for highly reputed financial services clients, which would include senior level stakeholder management, project execution, project governance, reporting and delivery. What will you do? At Infosys Consulting, you will: Work on business consulting engagements as part of a cross-cultural team across regions. Take up a range of roles in the areas of process consulting, functional consulting, tech strategy, project management and change management. Analyze problems and come up with solutions, often creative and out-of-the-box. Apply business consulting frameworks and methodologies to address business problems. Ensure project delivery to clients on time. Own the initiation, planning, execution and closure of projects while also tracking, managing dependencies and mitigating risks. Be responsible for the success, effectiveness, on-time delivery and business outcomes of the project. Be responsible for establishing and maintaining relationships with program stakeholders and vendors. Lead workshops to collaborate with client stakeholders and educate them throughout the process. Lead / contribute to sales pursuits, consulting offerings and internal initiatives. Participate in a variety of Firm building events and the consultant referral program. What do we require? We are seeking success-oriented people who have a consulting mindset, strong analytical skills, a competitive drive, and an entrepreneurial spirit that will help propel the continued growth of the firm. We look for candidates that have prior end to end project management experience in FSI who can bring structure to large transformation engagements. Business acumen combined with a comfort of technology is a must as well as strong verbal and written communication skills. Candidates must be able to quickly frame complex business problems and prioritize root causes with confidence. We pride ourselves on hiring consultants that immediately fit into the fun yet professional atmosphere of Infosys Consulting. We value intellectual curiosity, initiative, and entrepreneurial drive! Experience Required: 7 - 14 years Where are we hiring? Primary locations: Bangalore, Chennai, Hyderabad, Pune, Mumbai, Gurgaon, Kolkata Other locations: Bhubaneswar, Chandigarh, Jaipur, Mysore, Mangalore, Nagpur, Thiruvananthapuram Location of posting is subject to business requirements.
