UniScholars is an integrated study abroad platform that provides comprehensive solutions for students throughout their study abroad journey. We specialise in offering end-to-end services, from pre-departure preparation to post-landing support. Our expert counsellors provide personalised guidance to ensure every student has a smooth and successful study abroad experience. With UniScholars, students have a one-stop solution for all their study abroad needs. Our goal is to fuel and shape students' ambitions and help them achieve their dreams of studying abroad. We are rapidly expanding and looking to hire a talented and ambitious Counselor /Senior Counselor /Assistant Manager

- It is important that you have knowledge of the entire process of counselling and university shortlisting.
- You will be supported by teams managing admissions & visa application processes.
- We are building an evolving rewards & incentives scheme for achievers with reasonable & achievable milestones.
- You will guide students with their overseas education options after understanding their profile and desired course. This will need subject knowledge, clarity of process and lots of patience. You will provide insights on their career outcomes based on their preferred options and act in their best interest at all times. Assist students on deciding on the universities/colleges and programs to opt for and help students build their profile (SoP/LoR/Resume). You will be supported with a largely automated and structured counseling process. It'll be of help if you are good at MS Excel & CRM. External Skills And Expertise
- Good hands-on exposure of 4 +years in international education/ study abroad.

- A graduate with good spoken English and command on native language. (Multilinguistic)
- It'd be great if you have already counseled students for Overseas Education having knowledge of the entire process of counseling.
- Ability to adapt to an online and structured counseling process
