Company: SGS Technical Services Pvt. Ltd

Location: Pune

Category: computer-and-mathematical

Job Title : UI Lead Location : Pune, India Experience : Minimum 4 years of experience in React.js, with at least 2 years of experience in team leadership roles. Notice Period : 30 days Employment Type : Permanent Job Description : We are seeking a skilled UI Lead to join our team in Pune. As a UI Lead, you will be responsible for leading a team of developers in the design, development, and implementation of user interfaces using React.js. The ideal candidate will have a strong background in React.js development and demonstrated experience in leading and mentoring teams. Responsibilities : Lead a team of UI developers in the design and implementation of user interfaces using React.js. Collaborate with product managers, designers, and other stakeholders to define project requirements and deliverables. Provide technical guidance and mentorship to team members, ensuring adherence to best practices and coding standards. Participate in code reviews to ensure code quality, performance, and maintainability. Drive continuous improvement initiatives to enhance team productivity and efficiency. Stay up-to-date with the latest trends and technologies in UI development and recommend adoption where applicable. Act as a technical liaison between the development team and other cross-functional teams. Work closely with QA engineers to ensure the quality and reliability of UI components. Requirements : Bachelor's degree in Computer Science, Engineering, or a related field. Minimum 4 years of hands-on experience in React.js development. At least 2 years of experience in team leadership or management roles. Strong understanding of front-end technologies such as HTML5, CSS3, JavaScript, and responsive design principles. Experience with state management libraries such as Redux or MobX. Excellent communication and interpersonal skills. Ability to effectively prioritize and

manage multiple tasks in a fast-paced environment. Experience with Agile development methodologies is a plus. Must be located in Pune or willing to relocate. If you meet the above requirements and are passionate about leading a team to build innovative user interfaces using React.js, we encourage you to apply. We offer a competitive salary, comprehensive benefits package, and opportunities for professional growth and advancement. Join us in shaping the future of UI development! (ref:hirist.tech)
