

Solar Project Installation Technicians for Solar EPC Company at Hyderabad (Onsite)

[Apply Now](#)

Company: SolarBull Energy LLP

Location: hyderabad

Category: other-general

Company Description

Solar Bull is a Hyderabad-based company specializing in solar power and energy-saving projects. We provide solar solutions (rooftop and ground mount) to clients in commercial, industrial, educational, and residential sectors. We offer both CAPEX and OPEX solutions to our clients.

Role Description

We are hiring full-time Solar Project Installation Technicians for Solar EPC Company at Hyderabad (Onsite) role. As a Solar Project Installation Technician, you will be responsible for installing and maintaining solar power systems at various project sites in various places in India. This is an onsite role, and you will work closely with our project team to ensure the successful implementation of solar projects.

Qualifications

- Prior experience in solar project installation and maintenance
- Knowledge of solar power systems and equipment
- Understanding of electrical wiring and safety protocols
- Ability to read and interpret technical drawings and specifications
- Physical fitness and ability to work at heights
- Valid driver's license
- Certifications in solar installation and safety (preferred)

We are looking for dedicated individuals who are passionate about renewable energy and are committed to delivering high-quality work. If you have the required qualifications and are excited about joining our team, we would love to hear from you!
