

Tableau Developer - Data Management

[Apply Now](#)

Company: Marktine Technology Solutions

Location: India

Category: computer-and-mathematical

Company Description : Marktine Technology Solutions Pvt Ltd is a decision science organization assisting clients to leverage their under-utilized data in making complex business decisions successfully. The team consists of Data Enthusiasts (engineers, scientists visualizers), Business Consultants, and Sales Managers with a core focus to address your business growth via data. From the team's perspective, they adhere to complete industry standards following proper work-life balance among employees and provide the knowledge space for improvement. They encourage team building and follow a culture of innovation, transparency, and integrity. -This is a great opportunity to work with a growing organization that strives to deliver world-class Data Assessment & Management Services, while also promoting a positive work environment.

Role Description : This contract role is for a remote Tableau Developer who will be responsible for designing and building advanced data visualizations using Tableau. The Tableau Developer will work with internal teams and external clients to gather and understand business requirements, design and develop dashboards, and provide insights to clients. The Tableau Developer will also be responsible for maintaining and supporting the existing Tableau : Bachelor's degree in Computer Science, Information Technology, or a related field. 4+ years of experience working with Tableau. Proficient in SQL and database management. Knowledge of ETL processes and data warehouse concepts. Ability to work independently and take ownership of tasks. Excellent analytical and problem-solving skills. Strong communication and collaboration skills. -

Experience working remotely or in a distributed team environment is a plus.

- If you meet the above qualifications and are looking for an exciting opportunity to work with a growing and innovative organization, we encourage you to apply for this position.
